

TEACH FRENCH THE FUN WAY

Étienne - Rock Songs to Teach French Grammar - CDs

Award-winning French educational music designed to motivate and reach students with the latest beat. The music is designed to reinforce specific grammatical and thematic structures at the grades K-12 school level --and is particularly effective with the harder to motivate intermediate level students-- promoting student comprehension and manipulation abilities. Check out songs that allow students to grasp and never forget important structures such as Être, Avoir, Aller, -ER and -IR verbs, adjectives, question words, rooms of the house.... music that has students rocking.
